## WILD FLOWER SHOW AT NILES SATURDAY

### Niles Escapes Frost That Injures State's Fruit Crop

Centerville and Mission San Jose fruit was slightly injured, as was the case in Hayward, but Niles escaped.

Live in Niles, with the climate the rest of the state brags about. The recent cold spell has cost the state of California millions of dollars, according to reports given the press. Residents of Niles and vicinity were spectators of the great clouds of smudge floating up from the south where growers were attempting to save their crops. San Jose had its lowest April temperature record Sunday, when the mercury dropped to 32 degrees. Frost warnings had given growers an opportunity to start the smudge pots, apricot growers, however, stating it would be impossible for some time to estimate the damage.

Dispatches from Modesto stated that practically 90 per cent of the Malaga and Thompson seedless raisen crop of Stanislaus county, comprising approximately 60,000 acres, had been wiped out by frost.

Peach growers of Yuba, Sutter and southern Butte counties were preparing to ask for state financial aid. The loss to the peach crop in the three counties was estimated at about \$3,000,000. Following the low price of \$20 a ton for peaches two years ago, growers of this section are especially hard hit.

Pears, plums and almonds were also injured. It is reported that the nuts and tree fruit of Lodi had almost been wiped out, some vineyards also being badly damaged. A freak storm precipitated two inches of snow over a large area between Victor and Lockeford in the Lodi district, where it rarely snows. The white-clad Sierras and nearer ranges were clearly visible from Galt and Lodi Sunday.

The central San Joaquin valley escaped almost unhurt, according to reports from Fresno which said that despite a heavy frost Saturday, the damage was almost negligible.

### NILES TO HAVE ART EXHIBIT APRIL 29-MAY 1

Public Invited to View 150 Copies of Famous Paintings

An art exhibit at which copies of about 150 famous paintings will be shown is to be put on at the Niles Grammar school, April 29-May 1, under the auspices of the Parent-Teachers' Association. No admission is to be charged but those who attend are asked to donate ten cents or a quarter each, children and adults respectively, all funds to be used to purchase pictures for the school. This offers an excellent opportunity for adults as well as children in the community to enjoy and become more familiar with the great pictures which have lived through the ages. Explanations will be given those who desire them in order that the fullest understanding and pleasure may be made available to those who come to view the exhibit. All residents of the township are invited to be present.

During the exhibit, a reception will be held by the Niles Parent-Teachers' Association and a short program presented, after which light refreshments will be served. The public is invited to this also. Plans are being made to have a series of "living

### OPERETTA TO BE PRESENTED ON WEDNESDAY

Postponed from Friday Because of Death of Mr. Kinney

The delightful three-act Japanese operetta, "Miss Cherry Blossom," on which the music class and Glee clubs have been so faithfully practicing, will be presented next Wednesday night in the high school auditorium at 8. A very able cast, many of whom have been in former operettas or plays, will display its talent. Lois Abbott will take the part of "Miss Cherryblossom," the little American who has been brought up as a Geisha girl. The rest of the cast is as follows:

Kokemo.....Tashi Sato  
John Henry Smith.....Howard Overacker  
Jessica Vanderpool, Rosalie Jayce  
Henry Foster Jones, Jim Bunker  
James Young.....George Coley  
Horace Worthington.....Sam Kerns  
The charming story of how this little American-Japanese girl, Cherryblossom, finds out her true identity and finds—well, if you really want to know the answer come Wednesday night and you shall also see the delightful choruses in their charming dance numbers.

The entertaining part of Kokemo, a Japanese inkeeper, and the parts of Harry and Jessica, two young American lovers, complete a delightful group. The presentation will be accompanied with all the beauty and color of the east. This performance was to have been given Friday but was postponed on account of the death of Mr. Kinney.

### DISPLAY PLACED AT LOCAL FIRE HALL

#### ALL READY FOR BROADCAST OVER HAYWARD STATION

Local Talent Will Give Program Over KZM Tuesday

Program for Niles broadcast over KZM at Hayward next Tuesday evening at 8 o'clock is complete, reported W. J. Helm at Tuesday's meeting of the Chamber of Commerce. Joe Gomes was appointed as chairman of a committee to make arrangements for transportation of those taking part on the program.

After a discussion of the Stop signs which have just been placed along the main street of Niles as an arterial, Capt. Louie Eike of the traffic squad advised that these became effective immediately and that all motorists were expected to obey this new regulation.

Announcements were made of the Charity Ball on Saturday evening at the Garden of Allah, the Flower Show on Saturday, and the Campfire Girls' card party at the Niles school on the 19th.

The following program has been announced by Chairman W. J. Helm: Mrs. Charlotte Huntley Foster, piano solo; Mrs. Foster and Mrs. Alma Huntley, vocal duet; Campos orchestra; Miss Lois Abbott, vocal solo; Misses Margie and Madeline Whittelsy, piano and cello; Fred Mitte's Haywire Orchestra; Harvey Braun, five-minute talk; Mrs. Charles Browning, vocal solo; Mr. Walton, monologue; Niles Grammar school girls, vocal numbers; Kraft Cheese representative, vocal numbers.

### FIREMEN'S SHOW SCORES BIG HIT

Local and Professional Talent Entertains Big Crowd

A large audience enjoyed the vaudeville show put on by the Niles Fire Department Friday evening. Funds derived will be used to buy furniture for the office of the new fire hall.

The local talent was especially appreciated, those participating being Mr. and Mrs. W. J. Helm and Mr. Peterson, of the Niles Theater orchestra; Henry Walton, Bert Rathbun, E. E. Dias and C. B. Crane, A. Salvadorini, Andrew Borges, Tom Stockton, Bell and Hamilton, and the Verdi Brothers, also Fanny and Waldo Weaver. The Niles Theater is to be especially thanked for the efforts they made to make the show a success. Arranging the stage for the performance meant tearing out much of the equipment that had just been installed for the "talking pictures."

### A. Bertolozzi Is Painfully Injured

A. Bertolozzi was painfully but not seriously injured last Thursday at Sunol when his own vegetable truck backed into him inflicting painful cuts and bruises. He is confined to his bed for several days but is improving.

Mrs. H. R. Hunt is leaving this evening for a visit of three weeks at Whittier and other southern points.

### Campfire Girls, Scouts and Ad Club Aid Commerce Body

PLANS ARE rapidly nearing completion for Niles' first Wild Flower Show to take place next Saturday. Campfire Girls and Boy Scouts will be excused Friday at noon from school in order that they may go into the hills in search of rare specimen. A display will be arranged in the Niles Fire Hall where visitors may view the many varieties found in this vicinity.

All merchants are urged to have a "spring cleaning" in their windows and arrange their goods as attractively as possible, being sure that a wealth of cultivated flowers graces each window. Poppies and lupin may be used in the store windows, also, but the rarer varieties of wild flowers are to be reserved for the Fire Hall display.

Monday evening a meeting was held by representatives of the Chamber of Commerce and the Ad Club. Arrangements were made to carry out plans for the show, the following to have charge: Robert Blacow, W. J. Helm, Dr. Chas. Law, Jack Williamson, Bert Rathbun and George L. Donovan.

The idea of the flower show is one of education and conservation. All children of the community are invited to bring in flowers but great care must be taken not to take all the blossoms from any one spot or to up-root the plants. Poppies propagate from seed and hence if all blossoms are taken from a given area then there will be no seeds to furnish next year's blossoms. Every child who goes on the hunt Friday should be equipped with scissors or pruning shears, so that the flowers may be cut off instead of pulled, as the latter often up-roots the plant or injures the roots.

It is hoped that hillsides at the immediate approach to Niles may be strewn with seed or plants transplanted as a part of this wild flower program. Perhaps a prize will be offered for the best wild flower garden next year, the collection of greatest variety, etc. However, much depends upon the success of this first attempt and all merchants, other residents and children are urged to join hands to make Niles' first wild flower show a big success.

If the project increases from year to year, much publicity and consequent business will be brought to Niles and its stores; Niles will become known as the city of flowers; the children will be given a wider knowledge and a deeper appreciation of nature, and the roadsides leading to and from our town will be covered with carpets of color and fragrance.

### JUSTICE COURT DAYS WILL NOT BE CHANGED

Some time ago The Register announced that an effort was being made to change the justice court days from Tuesday to Monday. However, it is reported that Justice of the Peace G. S. Fitzgerald, of Livermore, has won another tilt with Deputy District Attorney Harry Styles, and the days won't be changed after all.

At the request of Judge Jacob Harder, of Hayward, Styles would have changed the sessions in Pleasanton, Livermore, Niles and Centerville, from Tuesday to Monday and would have held court in Hayward on Tuesday instead of Monday.

Judge Fitzgerald contended that he had the right to fix the calendar in his own court and refused to hold court any day except Tuesday. Judge Gannon, of San Leandro sided with him.

### R. S. KINNEY IS FOUND DEAD IN BED WEDNESDAY

Play Postponed Because of Death of School Instructor

R. S. Kinney, aged 55 years, teacher of English at the Washington Union high school for the past three years, was found dead in bed Wednesday morning by his sister at his home in Centerville. The high school will be dismissed Friday at 1:30 o'clock for the remainder of the day.

Funeral services will be held at 2 o'clock at the Masonic Hall in Centerville under the direction of the Masons and the remains will be taken to the crematory in Oakland.

Following students have been selected as pall bearers: Louis Ruschlin, Ray Jollif, Jack Bunker, Manuel Fontes, George Coley, Frank Pimentel.

The deceased is survived by two sisters, one of whom had been visiting him for the past few weeks.

Out of respect to the former instructor, the operetta, "Miss Cherry Blossoms," which was to have been given Friday evening has been postponed until next Wednesday evening.

Mr. Kinney came to Centerville from Yreka. He has been in ill health for several months and had returned recently from St. Helena, a sanitarium, presumably much improved. Tuesday afternoon, after teaching all day he seemed well and cheerful but returned home and in the evening retired, passing away while he slept.

Mr. Kinney's travel experiences were always interesting as he had toured the United States, Canada, China and Japan, besides teaching in universities in China and Japan. Everyone enjoyed his tales of life and humorous stories. His sister, Miss Jesse Kinney, of Vancouver, has been visiting with him for the last month.

### 600 Attend Nagli's Garden of Allah Dance

Six hundred attended the dance given by Mr. and Mrs. Ernest Nagli at the Garden of Allah last Saturday. Music was furnished by the Amx six-piece orchestra. Ten gallons of ice-cream, 30 gallons of milk for milk-shakes and 600 pieces of cake were served. As the Nagli's had ordered 1,000 pieces of cake the remaining 400 pieces were given to the Children's Home and the Home for Aged at Niles.

### CALIFORNIA NURSERY GIVES SCHOOL SHRUBS

Campfire Girls do Garden Work as Part of Program

Shrubs were planted recently at the Niles school by the local group of Campfire Girls, under the direction of the guardian, Mrs. J. E. Townsend, as a part of the campfire program. These shrubs were donated by the California Nursery Company. Recently, ten splendid rose bushes were also donated to the school by The California Nursery Company and planted by members of the eighth grade.

### BOY SCOUTS TO ATTEND MERIT BADGE MEETING

Twenty-two members of the local group of Boy Scouts, the two scout masters and several members of the Scout committee will attend the Merit Badge Exposition to be held at the Oakland Auditorium April 19, at 8 p.m. Plans for the journey will be made at a meeting of the Scout committee to be held Thursday evening at 7:30 p. m. at Schuck's Cannery.

### CONTINUED STORY TO START

Due to the crowded condition of The Register this week resulting from a number of new advertising contracts, the continued story, "The Double Cross," will not be started until next week.

## Editorial Comment

By NORMAN H. PARKS, Publisher Register

### PRIDE IN BUSINESS—FAITH IN NILES!

THE OWNER of the Niles Theater, C. E. Petersen, is entitled to the unstinted praise of the people of Washington Township and especially the thanks and applause of this city, the home of one of his theaters, and the home of the only "talkie" between Oakland and San Jose.

It takes considerable courage to spend several thousand dollars to equip a movie in a town the size of Niles with the paraphernalia necessary to produce talking pictures. It is an innovation, the practicability, of course, of which has been established—nevertheless, Mr. Petersen in placing himself in the vanguard of this progressive theatrical procession has brought inestimable benefit to this town in the way of advertising. People at a distance hear that Niles is the only small town in this part of the state that produces talking pictures, and what do they say, what do they think? Why, they say, "Niles is a live place, they have 'talkies.'" They naturally think that the owner of our theater is abreast of the times and has faith in his city and consideration for his patrons.

And that is just it, Petersen has consideration for his patrons' tastes, has love for his profession and faith, backed by hard thousands, in this town.

The Township Register believes that Mr. Petersen's judgment is as good as his city patriotism. We believe Niles is on the verge of a growth similar to that enjoyed by Hayward during the past few years. The day of rejuvenation civically would be hastened if there were more men in this town like Citizen Petersen.

To him in the name of Niles and Washington Township, we wish to extend our hand in congratulation and thanks, and breathe a prayer that the future holds especial reward for a man who has blazed the trail for a better, bigger, busier Niles.

### Y. L. I. TO GIVE CARD PARTY ON 18TH OF APRIL

The Y. L. I. will give a card party at the Odd Fellows' Hall on the 28th for the benefit of their charity and social fund. The committee in charge is composed of Miss Keller, Mrs. Scott and Mrs. Crane, of Niles; Miss Francis, of Newark; and Mrs. Zwissig, of Decoto.

There will be prizes and refreshments.

F. T. Morss and Ralph Walsh, of Oakland, of the Motorists' Directory Service, of Oakland, were callers at the Register office today.

Register print shop is efficient.

### FLOWER-FOOD SALE BY COUNTRY CLUB

Home-cooked food, plants, bulbs and shrubs will be sold at a flower show, plant and food sale to be held at the Country Club house in Centerville, Saturday, the 20th, from one to five p. m., under the auspices of the Country Club. Admission is free and the public is invited. Coffee will be served free and homemade cakes and waffles will be sold. Due to special arrangements with the California Nursery Co., members of the club will act as saleswomen of shrubs and plants from that establishment, this being expected to be a special drawing card for the event. Plants will be sold at standard prices and a percentage will go to the club.

This sale is under the direction of the Ways and Means committee, Mrs. Fern Mitte, chairman. Members of the club have planted seeds of snapdragons, bachelor buttons, zinnias, asters, etc., and those plants will be for sale. Now after the rains is the best time to plant for summer blooms. Special advice regarding garden problems will also be available. Remember the time, Saturday the 20th of April, from one to five o'clock. Bring along several guests for tea.

### CHARITY BALL IS ALL SET FOR SATURDAY NIGHT

Record-Breaking Crowd Is Expected To Attend

Saturday night is the big night for all those who enjoy good music, dancing and doing their bit for the Child Welfare work by attending the Charity Ball at the Garden of Allah. From reports of ticket sellers the whole township and some besides will be there. Many are planning to attend who do not dance as the affair will be a get-together proposition as well as a ball.

Washington Township Post of the American Legion is assisting the Child Welfare Club No. 1 in making the arrangements and will take charge of the refreshment sale. There will be hot dogs, home-made cake, coffee and ice cream.

Music is to be furnished by the KGO orchestra.

### NIGHTWATCHMAN IS EMPLOYED BY NILES MERCHANTS

Arthur Roderick, of Niles, has been employed by several local people to act as nightwatchman, according to information given The Register.

### NILES GUILD TO HOLD MEETING NEXT WEEK

The Niles Guild will meet at the Congregational church next Wednesday afternoon at 2 o'clock, according to Mrs. A. A. Hatch, president.

Mrs. Emilie Chittenden spent today in Oakland.

LOW FARE EAST • MAY 22

**Double  
the enjoyment**  
of your trip east—go one way, return another

When the low summer fares are in effect, May 22 to Sept. 30, you appreciate all the more Southern Pacific's option,—go one way, return another.

At a cost no more than the greatly reduced excursion fares you can, for example, go East over the SUNSET ROUTE, via San Francisco, Los Angeles, El Paso, San Antonio, New Orleans and return via the OVERLAND ROUTE, Chicago direct across mid-continent to San Francisco. Use Southern Pacific's varied routes. See more of your America. Broaden

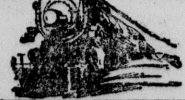

your horizons. Only Southern Pacific offers choice of four great routes: OVERLAND ROUTE, SUNSET ROUTE, GOLDEN STATE ROUTE—Los Angeles via Kansas City to Chicago and SHASTA ROUTE via Pacific Northwest.

In style of trains, too, you have your choice. If it's the utmost in luxury you want there is a train on every route to serve you. Or you can find comfort with economy on trains carrying Tourist sleepers and All-Day Lunch cars (like cafeterias).

## Letters From Chinese School Boys Reach Recipients Here

Several weeks ago, Paul and Joseph Fong, ages 10 and 8 respectively, of Niles, left to go to their grandfather in China. They expect to be there in school for about three years and will return to America at the end of that time. It is understood that the Fong boys grandfather has extensive holdings in China and that they are being educated to take charge of the estate.

The following letters addressed to their family and to their Sunday school teacher, Mrs. Alma Parker, may be interesting to others. They speak of having only two meals a day and that they do not have so much fun in China as in America. In the upper right hand corner of the letter where we usually place our address and the date, the boys have placed their names. In case any of the Niles school children wish to exchange letters with these boys, the address in Chinese will be inscribed by Adabelle Fong, sister of the boys, who is also a pupil at the Niles school.

The letters read:

Paul and  
Joseph Fong,  
Feb. 26, 1929

Dear father, mother, sister, brothers, and uncle, I arrive in Honkong safely the 25th of Feb. at 8 o'clock in the evening and uncle came and meet us. Uncle treat us in a noodle shop, the noodles were very good and had a fine time, and then we made are (our) trip for the village.

Your sons,  
Joseph and Paul Fong.

March 11, 1929.

Dear father, mother, sister, brothers, and uncle, we arrive in Chang Shen the 29th of Feb. and we arrive in Ho Chung the same day. We seen grandfather, grandmother and uncle. Everybody was well, everybody was glad when we came home, everywhere in the village we went everywhere, and that all I know.

Your sons,  
Paul and Joseph Fong.

Dear Mrs. Parker:

I missed you very much. I had a nice trip to China. It took us 25 days to reach China. I was very glad when I reach China. In China we don't have very good time as in America. In China we have two meals a day, the first is in the morning but is not right after you get up in the morning. You have to go to school at six o'clock and then come home from school at eight o'clock and then eat breakfast at nine o'clock and go to school at 10 o'clock and come home at 12 o'clock but we don't eat at dinner time. We just come for a rest and then go back at 1 o'clock and then come home at 4 o'clock and eat supper and then go to sleep at 9 o'clock.

Your friend,  
PAUL FONG.

## Country Paper Is Holding Its Own

COLUMBIA, Mo.—That the country newspaper is holding its own, with its editors not gravely worried over the future despite the inroads of metropolitan dailies, large mail order printing houses and other competitors, is the consensus of opinion of editors of rural newspapers as expressed in replies to a questionnaire sent to them by Prof. T. C. Morelock of the school of journalism at the University of Missouri.

The editors stated almost unanimously that opportunities for public service and financial reward in the rural field are good, and are improving.

"The country newspaper is on a better basis than at any other time in history," wrote the publisher of a weekly in northeast Missouri. "Most of them are making money. Most of them could make more money and enjoy more prestige by adopting better methods and rendering more valuable service to their constituents. Those who enter this field with no other ambition than the making of money, however, will fall far short of the real newspaper goal."

Southern Sierras Power company awarded contract for \$150,000 group of buildings to house its Riverside warehouses and garages.

## LUNCHEON FOR BRIDE-TO-BE AT CASTLEWOOD CLUB

Among the festivities planned in honor of Miss Margaret Moore, an April bride, was the bridge luncheon given at Castlewood Country Club Saturday by Mrs. Frank Dusterberry, eighteen guests being present.

Luncheon was served in the main dining room from a picture table very lovely with spring flowers and individual place favors, lavender candles, wistaria and lilacs carrying out the main color motif.

After bridge in the music room, Miss Moore graciously rendered several vocal solos. Those present were Misses Margaret Moore, Ellen Dusterberry, Jewel Anderson, Jacqueline Walpert, Dorothy Smith, Lucy Shinn, Florence Aust, Clara-belle Logan and Robin Trask, and Mesdames Dusterberry, W. L. McWhirter, Philip Moore, A. F. Johnson, J. E. Townsend, Wm. Eberly, Richard Jelleff, J. M. Williamson, R. Driscoll.

## MRS. FISHER WILL BE HONOR GUEST AT LUNCHEON

Mrs. Robert Fisher will be the honor guest at a bridge luncheon to be given by Mrs. Harry Cushing, of Irvington next Friday. Twelve guests will be included. Mrs. Fisher is to leave this summer for an extended visit throughout the east and in England.

## PARENTS URGED TO BE SCHOOL VISITORS

### Principal Bristow Asks Patrons to Call On 22nd and 23rd

All parents of the Niles school district are urged to visit the school Monday and Tuesday, April 22-23, during public school week, this invitation having been given out by Principal E. D. Bristow. "We are anxious that all parents come to visit us any time," he said, "but inasmuch as we will have a display of handwork on the above mentioned dates, this will be a good time to visit."

On Thursday, the 25th, a program will be put on in the high school in recognition of Public School's Week.

### Play Cast Entertained By Mrs. Townsend

Mr. and Mrs. J. E. Townsend entertained the cast of "Mrs. Temple's Telegram" at their home following the performance last Thursday evening. Miss Margaret Moore added to the pleasure of the occasion by giving several vocal solos. The hostess served refreshments at the close of the evening. Richard Clendenin, director of the play, Miss Neubert, of Centerville and Miss Steward, of Berkeley, were also guests.

### VIEXU BROTHERS WILL OPEN NEW DISPLAY ROOM

The new display room for radios will be open to the public the latter part of this week at Viexu Brothers store on First street.

## Personal Mention.

Mrs. R. H. Bennett returned Wednesday from a visit of five days with her mother, Mrs. M. A. Stibley, of Berkeley. While there she was the honor guest at several luncheons.

Mr. and Mrs. Luther Rood, of Sacramento, spent Sunday with Harry Green, art teacher at the Galt high school. Mrs. Alma I. Parker, Mr. and Mrs. J. M. Williamson and family, of Niles, were also in the party.

Mrs. Robert Boyer, of Dayton, Ohio, arrived Tuesday in Berkeley, to visit with her sister, Mrs. Boyer came west to attend the wedding of her son, Robert, which is to occur next Monday when Miss Margaret Moore will become his bride.

The May meeting of the Country Club of Washington Township will be a card party given in honor of the new members who have joined since last May. Hostesses are to be Mrs. W. Wyatt, Mrs. E. A. Ellsworth, Mrs. A. S. Biddel, Mrs. J. L. Olsen, Mrs. R. L. Pond, Mrs. H. Searles, Mrs.

Ralph Emerson, Mrs. E. M. Hawley.

### Shop in San Jose

Make Your Busy Day A  
Delightful Shopping  
Holiday

The best highway in the state will carry you into San Jose in comfort—no nervous strain in ever increasing traffic. Your car rolls along at any speed you care to travel, while you are given the opportunity to enjoy the ride and the landscape if you so desire.

When you arrive in San Jose, even in the business district, there is plenty of parking space provided for your car when it can be left without fear of a tag giving you palpitation of the heart, on your completion of business.

The shops of San Jose offer you a varied and splendid assortment of goods unexcelled by the stores of much larger cities, and at prices that will bring you back to buy again.

Moreover, you will be treated with the greatest consideration and courtesy everywhere you go. This is one of the outstanding features to strangers in shopping in San Jose and never fails to attract their attention and draw forth comment and an expression of pleasure and approval.

People of Washington Township and Vicinity.

San Jose invites you to inspect its stores, compare its prices and come again.

### A Few Hors d'Oeuvres

ONE must remember that Hors d'Oeuvres are tidbits to sharpen the appetite and not hearty dishes. They may be served individually or on one large platter.  
**Fruity Hors d'Oeuvres.**—Take pears, peaches, chopped pistachio nuts, pineapple, mint leaves, lemon juice, maraschino cherries, orange and white grapes. When watermelon is in season, cut the centers into small balls and marinate with French dressing; slice pears, cut into scalloped disks with a cutter, sprinkle with lemon juice, garnish the center with finely chopped maraschino cherries. Stone the peaches, cut into eighths, dip in lemon or orange juice and roll in finely chopped pistachio nuts. Dip the segments of diced pineapple in powdered mint leaves and add halved white grapes.  
**Boulettes.**—Mix one-half cupful of diced chicken, one-half cupful of diced cooked celery and one-fourth cupful of chopped pecans. Season with salt and pepper; add enough white sauce so that the mixture may be easily handled and hold its shape. Spread on a plate to cool. When cool form into balls, roll in egg crumbs and fry in deep fat until a golden brown. Serve on water cress with strips of buttered Boston brown bread.  
**Deviled Egg With Anchovy.**—Saute rounds of bread and butter and spread with anchovy paste. Place on individual serving plates. On each round of toast place one-half of a deviled egg prepared in the following manner: Cook the eggs until well done, cut into halves lengthwise and remove the yolks. Add enough melted butter to the yolks to make a thick paste, then add a dash of cayenne pepper and a tablespoonful of minced chives. Moisten with equal parts of mayonnaise dressing and catsup. Garnish with parsley.  
Templing Hors d'Oeuvres may be made from leftovers, but they should blend with the balance of the meal.  
A crisp green is almost invariably used, which helps to make the desired color result.

### A Museum of Trees

WHEN James Arnold, a New Bedford (Mass.) merchant, died in 1868, he left \$100,000 for the advancement of agriculture or horticulture.

Translated into 1927 results, the outcome is the Arnold arboretum, a wonder garden, the greatest museum of trees and shrubs, perhaps, in the United States, 250 acres in extent, preserved forever in its present location in a Bos. on suburb and containing, it is claimed, a representative of every known tree and shrub that can withstand the Massachusetts climate.

If those who are charged with the development of this show place had appreciated the difficulty of the undertaking they might have thrown up their hands and hie in the cyclone cellar, because only a few of the plants now growing in this garden were known, much less discovered. But they took their work seriously, dug into the skeleton closets of the tree and shrub families, and nothing from a to etc. escaped them.

Many trees native in other countries but unknown here have been introduced, countless new forms have been brought into existence through scientific inbreeding and sent to be tried out in practically every civilized country on the globe. In connection with this work a library of upwards of 31,000 volumes and 8,000 pamphlets, all the principal books in all languages, relating to trees, in any way, have been developed.

"If we pass in imagination down the centuries," says Director Sargent, "it will not be difficult, judging the future by the accomplishments of a few years to picture an establishment able to increase human knowledge and human happiness in all parts of the world."

## STUDENTS SELL BLOOD TO PAY FOR THEIR TUITION

Two or Three Transfusions During Academic Year Meets Cost of Semester Fees.

New York.—"Is a college education worth the price of the student's blood?"

Confronted with this question, Dr. William H. McCastline, Columbia university's medical officer, answered in the affirmative. The average student of normal health can safely undergo two or three transfusions during the academic year, the university medical authority announced, thus earning \$150, the cost of a semester's tuition.

Doctor McCastline is attempting to insist, however, that all the university's student blood donors be given a thorough physical and mental examination to determine their fitness for it.

What Doctor McCastline admits to be the most serious problem of this nature ever to arise at Columbia had its start only recently when a hospital inserted an advertisement for blood donors in Spectator, the campus daily newspaper, and which 150 men and women answered by calling at the laboratories for blood tests. The students were out to help pay their semester expenses with the \$50, price for one transfusion, and incidentally to help save the lives of hospital patients.

The Spectator advertisement has developed an "unhealthy interest" in blood giving among the students, Doctor McCastline said, adding that he would not allow any further advertisements for blood donors to appear in the university daily.

To meet this "unhealthy interest" in transfusion Doctor McCastline announced he had inaugurated a system of registering prospective student blood donors in the university medical office. By this means he hopes to determine the fitness, both mentally and physically, of the individual student before he offers his blood. Several of the 150 who have or intend to offer themselves for transfusion have already registered at Doctor McCastline's office.

Plans discussed for establishment of airport at Corona.

## CENTERVILLE CALENDAR

April 17—Operetta, "Miss Cherry Blossom," highschool auditorium.  
April 15—School bond election.  
May 17—"New Brooms," senior play, W.U.H.S.

(The Township Register in anxious to be of real service to its subscribers in Centerville. We shall be glad to publish all announcements, reports, etc. sent in to us or given to our representatives, Mrs. F. O. Bunting, or Orville Blose. Reporter Blose will be glad to call you if you will let us know when you have news items for him.)

## PRINCIPALS FORM NEW ORGANIZATION

Principals of the schools of Washington Township have formed a new organization, program and policies of which will be announced later. The first regular meeting will be held, Monday, April 22, at the home of the high school principal, E. B. Hodges, when Mrs. Hodges will entertain the organization at dinner.

Joseph Dias, principal of the Grammar school, is temporary chairman.

Mrs. George Emerson entertained her Oakland Bridge club Wednesday afternoon. Eight guests were present. A delicious luncheon was served at noon.

## Local Baseball Team Wins Over Alvarado

The Washington "Cornhuskers" surprised everyone when they won a close baseball game from Alameda last Friday. The final score was 2-1. This same score was reversed two years ago.

Tuesday afternoon the local team again beat Emeryville by a large score of 11-5.

If Berkeley can be taken into camp by Washington, the county pennant is clinched. The student body is supporting the team 100 per cent to the victorious end.

Mr. and Mrs. Lannes Sharmen are leaving next week for a two-weeks' trip to Grand Canyon and other points of interest.

Mrs. M. Gregory has been visiting relatives in Berkeley.

Mrs. F. O. Bunting will go south on Saturday visiting Fresno and Los Angeles.

## OPERETTA POSTPONED UNTIL WEDNESDAY

The operetta, "Miss Cherry Blossom," was postponed to next Wednesday evening, the 17th, on account of the death of R. S. Kinney.

The production is coming along fine and a large cast is rehearsing daily. The orchestra also is practicing their full score accompaniment.

## Centerville Man In Movie Work

Sidney Snow, formerly of Centerville, who has been making extensive journeys in the north for the purpose of recording in pictures the wonders of the land of snow and ice, returned recently bringing with him some very interesting moving pictures of Eskimos in their native haunts. These pictures were shown at one of the Oakland theaters last week.

## Students Consider Purchase of Radio

A lively meeting of the Student Body was held Monday afternoon, opening up with community singing. The program consisted of a romantic playlet, and the minut dances.

After a report from the curtain committee the student body voted to purchase another velvet drop for the stage. The students also are agitating for an all-electric radio set which is necessary and useful. It would not cost the assembly over one hundred dollars as the old radio and \$35 derived from a recent auction would cover the remainder.

## LADIES' AID TO HAVE ANNUAL DINNER, 10th

The Ladies' Aid have their annual dinner on Wednesday. It is always a very enjoyable day.

## MRS. BUNTING TO ENTERTAIN ON 23rd OF APRIL

The "Welfare Ship" had a most enjoyable cruise Tuesday, April 9. Under Mrs. A. A. Hatch, plenty of work was provided, and all feel a great pleasure in working for the poor and needy. The "crew" have taken up a special and much-needed work that assures them from being idle. The next meeting will be April 23rd, at the home of Mrs. Bunting.

## Scholarship Group Will Have Social

Genevieve Davilla, Mary Beveridge, James Bunker, Marjorie Martin, Marie White and V. E. Solvason will attend the state convention of the California Scholarship Federation Saturday as delegates from Chapter No. 111.

The local scholarship society decided to have a social to finish the year with, at their last meeting. The program committee, Orville Blose, chairman; Mary Beveridge, Genevieve Davilla, James Bunker, and Marjorie Martin are to make all arrangements for this party and the remaining programs.

## Fifty Students in "Old Glory" Contest

Fifty students of Gatchell's history classes submitted their set of questions and answers on the United States flag, and a five-minute essay on "Old Glory." The seventy-five questions are not as hard as the essay, it seems.

The following are the teachers who will judge the boys' papers: C. A. Larson, B. L. Webb, and V. E. Solvason; for the girls: Mrs. Eula M. Wright, Miss Lucille Newbert, Mrs. Sadie Hodges and Miss Gertrude Douglas.

They are to select the best three papers from each. These prize winners will be sent to the flag contest editor of the Post-Enquirer who took pictures of the students today.

## PATRONS WOULD HAVE CHANGE IN PHONE SERVICE

Some complaint is heard in regard to the telephone only making one short ring. If there is any noise or you are in the distant part of the house, one ring does not always reach the party, while two or three would be sure to be heard.

## GRAMMAR SCHOOL BOND ISSUE IS DECIDED MONDAY

Decision as to the issue of a \$15,000 bond issue to repair and make additions to the Centerville Grammar school will be made at the polls next Monday by the voters of this community. This measure has been endorsed by the Service Club and all citizens are urged to realize the importance of this matter and to vote yes on the ballot.

Polls will be open from 8 a. m. to 8 p. m., the Assembly Hall on the second floor of the Grammar School having been designated as the polling place.

Trustees M. Oliveira, Isabel M. Colt and Allen G. Norris, urge the people to support this measure which is for the progress, comfort and safety of the school children of Centerville.

## P. T. A. Elects Officers For 1929

At the last meeting of Centerville Parent Teacher Association, 1929 officers were elected.

They are: President, Mrs. C. E. Anderson. Vice-President, Mrs. Mary Caldera. Recording Secretary, John Burns.

Financial Secretary, Mrs. Geo. Mathieson. Treasurer, Miss Mary Dias. Historian, Mrs. Fred Rogers. Parliamentarian, Mrs. Frank Dusterberry.

It was decided that the club should give a whist party on May 10 in the grammar school auditorium. Mrs. C. E. Anderson is the chairman of hall and arrangements, and Mrs. Harold de Leon, tickets.

Refreshments will be served by the members.

A small piano is wanted by Niles Church School.—F28—M14C

## Service Club Endorses Bond Issue Of \$15,000 For School

"Patronize your own home-town merchants" was the keynote to the address given by James Musselman, editor of the trade periodical, The Pacific Dry-Cleaners, at the luncheon meeting of the Centerville Service Club today.

J. C. McGee, local dry-cleaner, was chairman of the day.

Judge Allen G. Norris was appointed to have charge next week.

Endorsement of the bond issue for the local school as referred to elsewhere in this department was a feature of the meeting and all citizens were urged to vote for this measure when it comes up next Monday.

Reports from the paving committees indicated progress in that direction.

## Personal Mention.

Mrs. A. Elliott, of Long Beach, and Mrs. D. Lowrie, of Oakland, has been spending a few days with Mrs. B. Mickle.

Mrs. B. Mickle with Mrs. Elliott, Mrs. D. Lowrie and Miss Mary Mickle will motor to Long Beach starting Friday.

Mrs. E. Price, of Oakland, visited friends on Friday, and went on to San Jose where she will spend the week end.

Misses Alice Simas and Alice Saramento visited the El Cerrito Parlor of the Native Daughters of the Golden West, Tuesday evening at San Leandro. They represented the Betsy Ross Parlor of Washington Township at a large banquet given in honor of the state grand president, there. A fine program was enjoyed following the banquet.

## CLUB PLAY BEST YET IS VERDICT

## Capacity Audience Sees Delightful Comedy At Leal Theater

Enthusiastic praise of the play presented under the auspices of the Dramatic Section of the Country Club of Washington Township has been continuing since its production last Thursday evening, when a capacity audience witnessed the three-act comedy entitled "Mrs. Temple's Telegram." Richard Clendennin, of Berkeley, directed the play.

Bob Boyer, as the delinquent husband, and Cyril Attwood, his pal and "coliar" Frank Fuller, alias John Brown, carried the heaviest roles and interpreted them to perfection. Each member of the cast carried out his part so perfectly that it would be hard to award any bouquets to any one leading lady or leading man, though these parts as usually referred to fell to Miss Margaret Moore, lovely enough for the most exacting in the part of the heroine, and Bill Jones, an army captain, her sweetheart, both playing up to each other most enthusiastically.

Mrs. R. L. Pond, suspicious wife and the lady who sent the fateful telegram which produced so many laugh-provoking complications, also carried a heavy role which she interpreted excellently. Mrs. August May and her meek and humble husband, Wm. Wyatt, were as always, able to bring down the house with their comedy, and Franklin Brown, destined for a different type role in all the Country Club plays displayed his versatility by ably portraying the English butler. Mrs. J. E. Townsend, though carrying a light part, was the "lady in the case," and a most attractive young bride at that, her episode with Mr. Attwood in the third act being one of the hits of the entire performance.

"The best yet" was the verdict of all, the only regret being that the director who had so successfully staged the play did not come out "to take his bow."

Music between acts by the high school orchestra under the direction of John C. Kimber added much to the pleasure of the occasion, the children showing marked improvement in each successive appearance.

**DIFFERENT DIFFERENT DIFFERENT!**

**RICHFIELD-ETHYL**  
is actually **40% BETTER**

THIS NEW process Richfield Gasoline, to which Ethyl fluid has been added, is as different from other "Ethyls" as they are from ordinary gasolines. It is actually, measurably, 40% better!

The Ethyl Corporation, to insure a truly premium Ethyl gasoline, has wisely insisted upon a very high standard of gasoline by all of its licensees.

This standard, plus the necessary 2 cubic centimeters of Ethyl compound per gallon, insures an efficient anti-knock fuel for all motors up to 5 to 1 compression ratio. The same amount of Ethyl added to the new super Richfield, however, produces an anti-knock high compression gasoline efficient up to 7.5 to 1 compression—actually 40% better!

Ethyl is only the cream in your coffee. The actual difference in gasolines is in the fuel itself. That is why Richfield-Ethyl is so far superior to any other gasoline sold. It is definitely, provably, 40% finer than the finest standard demanded by the Ethyl Corporation itself!

Opposition to the proposed new highway between Irvington and San Jose has been voiced by County Surveyor R. B. Chandler of Santa Clara county. Chandler said, "The money necessary to build the new highway would be spent foolishly and might better be placed on other projects."

Chandler pointed out that the proposed Irvington-San Jose highway would parallel and conflict in many ways with the proposed East Bayshore highway sponsored by the California Development association. In some places the rights-of-way for the roads would be less than 200 feet apart, Chandler claims.

## WESTERN AUTO SUPPLY COMPANY USING REGISTER

The Western Auto Supply Company's ad appears in The Register this week for the first time and in it will be found many interesting tips for those who are planning long summer trips. Nothing adds to the pleasure of vacation travels as much as the absolute certainty that the old family bus is ship-shape and not likely to develop any serious ailments during the outing.

This advertising program is undertaken by the Western Auto Supply Company as a means of developing the Hayward business and though the Register is not authorized to say so, in probable anticipation of a new store in Niles.

By referring to the advertisement found elsewhere in this issue of The Register, you will be reminded of possible repairs on your car, new brake linings, fan belts, tube and tire repairs, cleaning and polishing equipment, jacks and pumps and other tools and even overalls for the man who works on his car, and such items as "Keep clean dust cloths" especially mentioned in this list of high quality and reasonably priced automobile accessory merchandise.

## TWO PICTURES OF IMPORTANCE WILL BE SHOWN HERE

"The Younger Generation," a talking picture, will be shown at the Niles Theater Sunday and Monday. This is said to be one of the most thrilling of the stories based on modern youth and is certain to be one of the most popular shows of the year.

On Saturday, Bob Steele will play in "Come and Get It." Wednesday and Thursday, April 17 and 18, "Interference," one of the outstanding pictures of the year will be shown, starring Evelyn Brent, Clive Brook, Doris Kenyon and Wm. Powell.

## LIVERMORE WILL VOTE ON SCHOOL BOND ISSUE, 16TH

## ANNUAL REPORT OF PRESBYTERIAN CHURCH IS GIVEN

The annual report of the Newark Presbyterian church was given last week. About forty people were in attendance and were pleased to hear that all financial obligations had been met. Reports were given by the elders, trustees, Sunday school, senior Christian Endeavor society, Intermediate Endeavorers, Junior Society, Ladies' Missionary Society, and Ladies' Aid.

Mr. Elmer Beardon was elected Elder for the ensuing three years. Trustees were elected as follows: E. E. Carroll, M. D. Reynolds, Franklin Brown, A. Reviere and Mrs. E. Beardon.

Rev. John Donaldson filled the pulpit on Easter Sunday morning and evening. The church was very beautifully decorated.

Special music by the choir was enjoyed.

The Ladies' Missionary Society met Thursday evening in the church parlors with Mrs. Blacow and Miss Lowrie as hostesses. About twenty ladies were present and all enjoyed the paper on Japan by Miss M. Brown and the papers on the Foreigner in America by Mrs. Reviere and Mrs. B. A. Brown.

The retiring president, Mrs. McCall, was presented with a beautiful hand bag by the appreciative members.

The following officers were elected for the ensuing year: President, Miss M. Brown; vice-president, Mrs. Carroll; secretary, Mrs. Blacow; treasurer, Mrs. Evans; chairman of the program committee, Mrs. Grace; chairman of membership, Mrs. Williamson; secretary of overseas and sewing, Mrs. Reviere; secretary of literature, Miss F. Brown; chairman of social committee, Mrs. Joseph Brown; young people counselor, Mrs. Grace.

### SOUTHERN PACIFIC STEALS A MARCH

#### Lays Tracks Near San Mateo During the Week-End

Over the week-end of March 23, when there was scant possibility of being halted by possible injunction proceedings, the Southern Pacific company won a construction race on the peninsula with both the State Highway Commission and the Western Pacific railroad, according to the San Francisco Chronicle.

It laid tracks across the projected right of way of the Bay Shore Highway south of the city of San Mateo and built a line into a potential industrial area which the Western Pacific planned to develop with its proposed peninsula line, for which a construction permit now pends before the Interstate Commerce Commission.

The S. P. stated this plan had been underway since 1925. Division Engineer John H. Skeggs of the Highway commission discovered there was a gap in the state-owned rights of way for extension of the Bay Shore highway south of the city of San Mateo. The state was about to close a deal for this land and Skeggs has asked the legal department of the commission to see what could be done about it.

President H. M. Adams, of the Western Pacific, declined to make a statement.

### "STOP" SIGNALS WILL BE PLACED ALONG HIGHWAY

Several of the 300 new traffic "STOP" signs to be placed on all of Alameda County's main highways, have been put along the Hayward-Niles-Mission road, the main highway through San Lorenzo and Alvarado, and the Newark-Dumbarton and San Mateo-Mt. Eden route, according to an announcement just received from the bureau of news of the automobile Association.

Motorists will stop at all intersections where these signs are placed before entering the main arterials.

On such main routes which are designated as arterial, the Automobile Association is installing signs outside of incorporated cities, at the intersections of all public roads with these main highways, at the request of the Board of Supervisors. Points which will be marked by the signs were determined in a survey made by the Road-Signing department of the motorists' organization at the request of the supervisors.

"Traffic on these main routes will be greatly facilitated," said W. A. Moore, manager of the Association's East Bay district office, "and the accident hazard at intersections will be reduced. The congestion that so often exists at intersections of heavily-travelled highways will be materially reduced by these signs."

The signals which are to be red octagons with the single word "STOP" are expected to become uniform throughout the state.

### P. T. A. ENDORSES JUNIOR COLLEGE

#### Several Items of Note Reported From Meeting

Mrs. J. E. Townsend was made chairman of a nominating committee which will report at the May meeting of the Niles Parent-Teacher Association preceding the annual election of officers, this action being taken by the president, Mrs. Harvey Braun, at Tuesday's meeting.

Announcement was made of the Campfire card party to be given on the 19th at the school for the benefit of their camping fund, also the art exhibit to be held at the school the latter part of April as described elsewhere in this issue of the Register.

The 16th District council meeting to be held at Castro Valley on the 25th was also announced.

It was voted to pay the expenses of the president to the district convention to be held at Richmond on the 18th and 19th. There will be a luncheon each day, 50 cents a plate. All those who wish to go should make reservations immediately. On the evening of the 19th, the presidents of all associations in the district will have a banquet. Mrs. J. E. Townsend and Mrs. Plum are the delegates.

Mrs. Townsend, chairman of recreation, was instructed to buy prizes for the kite contest which has been in progress at the Niles school this week. Winners will be announced next week.

Mrs. R. K. Wilson reported seven children now being given milk and hot lunches at the cafeteria. Under-nourished pupils being given the treatment are showing marked improvement. Parents are urged to keep up the milk schedule at home as the association stops its aid as soon as the children have reached normal weight. This matter is done quietly so there is no embarrassment for the pupils receiving the free milk, their identity being unknown to the other children.

Candy is being sold as deserts in the cafeteria. Bought wholesale and sold at current prices, more than \$8 was made in profits during the past fifteen days.

At the last meeting of the Parent Teachers Association, the organization endorsed the Junior College project.

#### The Master Timekeepers

THE master clocks of the nation, of which there are three, for safety sake, are encased in a double underground vault at the naval observatory in Washington.

The cases of these clocks are sealed air-tight and are maintained under a constant and uniform temperature and air pressure. The temperature is recorded every seven minutes and is never allowed to change more than one-tenth of a degree Fahrenheit. Obviously, their foundations are as free from vibration as it has been found possible to make them.

Since, clearly, because of their supersensitiveness, better results are obtained by letting them strictly alone, theirs is a peaceful existence. They are never reset or interfered with in any manner whatsoever except as justified for repairs.

Their pendulums are so constructed as to be unaffected by variations in temperature and the form of their escapement is unusual in that the pendulum rod is not directly connected with the escapement, the driving energy being furnished by springs from which the pendulum is suspended.

Observatory officials declare that these clocks display a tendency to run slightly faster as they are in service and that sometimes during the first year after cleansing their daily rate may increase as much as one-hundredth of a second per month. These infinitesimal changes do not alarm these officials, however, so long as the rate of change is regular, because the amount of variance can be accurately checked by astronomical observations and the exact time readily determined. ## Nothing Can Equal the Complete Feeling of CLEANLINESS

To start the day cheerfully—jump out of bed and into a perfect hot and cold shower.

WOULDN'T it be a wonderful convenience to always have plentiful hot water immediately, when you first get up in the morning?

Men like their clubs and the hotels for just this reason.

And every one can have this excellent hot water service in their own homes.

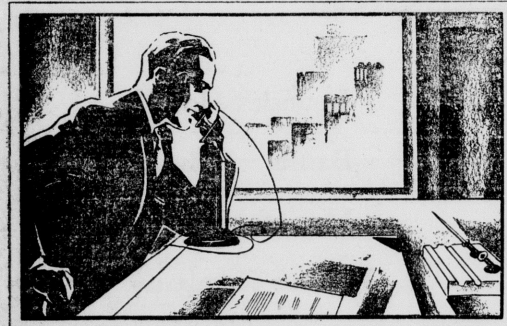

An Automatic Gas Water Heater gives plentiful hot water day and night—deep hot water for bathing, a basinful for shaving. There's no waiting, no bother.

The operating cost of an automatic water heater is low. It raises the temperature of water from 60 degrees to 140 degrees at a cost of about one-fifth of a cent per gallon. This is the lowest cost for heating water in the home.

Details for replacing your old water heater with a modern Automatic can be obtained from our office or the local dealers.

## Members Advertising Club Give Reasons For Affiliation

Members of Oakland Ad Club give reasons for membership:  
Mrs. Gladys H. Barndollar, Multigraph Letter Company:

"Because of contact with business men and women; because of benefit received from hearing good speakers; because of educational features obtainable along advertising lines; because of opportunity for service; because I get out of it just in proportion to what I put into it."

Dr. James Whitcomb Brouger, First Baptist church:  
"I get new and up-to-date ideas about advertising; gain inspiration from the speakers; am enthused with pep from contact with a bunch of live fellows; have a good laugh at the jokes and repartee; and go away from the meeting filled with good cheer and optimism."

M. J. Cohen, Publicity Director, T. & D. Jr., Enterprises, Inc.:

"Because I believe in the slogan, 'Truth in Advertising' and further 'that he who fails to advertise may be likened unto the young man standing afar off in the darkness, throwing a kiss to his sweetheart; he knows what he's doing, but nobody else does—or cares.'"

Max Horwinski, the Horwinski Company:

"The Oakland Advertising Club is sponsor for the Better Business Bureau. If it did nothing else it would recommend itself to every business man as a valuable organization to become a member of. But it does a lot of other things besides."

C. E. Mason, Y. M. C. A.:  
"The Advertising Club has furnished me entertainment worth while, but above all, it has given me profitable ideas from business men who 'know how.' One idea gleaned from its meetings has been worth more than money can buy."

George A. Huges, Foster & Kleiser:

"We profit through the success or failure of others. Their experience affords us an opportunity to shape our efforts along proper channels."

Arthur E. Caldwell, The Oakland Bank:

"Any man can improve his business by studying the methods of others. The Advertising Club of Oakland presents at its meetings speakers who talk with authority on advertising and business matters. The information thus gained, and the friendships formed among the members, should be an attraction to any progressive business man."

K. L. Hauman, Johnstone-Ayers Company:

"He profits most who serves best." An advertising club membership offers an advertising man an opportunity to serve his profession constructively and, at the same time, to reap benefits through the contacts he makes."

## DANVILLE CLUB TO GIVE DANCE GARDEN OF ALLAH

The fame of the Garden of Allah, Niles' de luxe dance hall, is being spread abroad, the A. A. Club of Danville, California, having made arrangements to give a ball there, Friday evening, April 27th.

## Mike Cohen Gains Deserved Promotion

Mike Cohen, formerly director of publicity for the Vitaphone theater in Oakland, and who had charge of two programs given at the Niles Ad Club recently, has been given a promotion this past week, now being district director of publicity for the Vitaphone interests. He will be in Oakland two days each week and so will retain an active interest in the Oakland Ad Club and we hope in the Niles organization.

## RICHFIELD OIL CO. ELECTS PRESIDENT AT MARCH MEETING

With the exception of the election of W. E. Dunlap to fill a vacancy on the board of directors to the position of chairman of the board, the annual meeting of the Richfield Oil Company of California, held at the company's office in Los Angeles in March, was purely routine.

At a meeting of directors following the annual meeting James A. Talbot was elected to the newly created position of chairman of the board and C. M. Fuller, vice president and general manager, elected president to succeed Mr. Talbot. All other officers re-elected.

Mr. Fuller, the newly elected president, originally entered the Richfield picture as a salesman for the Los Angeles Refining Company early in 1913, leaving the latter part of that year to accept a position with the National Company and the Kellogg Oil Company. Mr. Fuller became a director and general manager of the merged organization. Richfield was purely a marketing organization and later when it was deemed advisable to protect itself from a production standpoint an agreement was reached with the United Oil Company, with Mr. Fuller, president of the Richfield Oil Company and vice-president of the United Oil Company, and James A. Talbot, president of the United and vice-president of the Richfield. In 1923 when the two companies were merged under the name of Richfield, Mr. Fuller became vice-president, director and continued to hold with the organization of the present Richfield Oil Company of California in August, 1926. As a marketer Mr. Fuller is considered one of the most able men in the petroleum business and his election to the presidency is a well deserved reward for his great part in the growth of his company.

The directors also declared the regular quarterly dividend of \$1.75 on preferred stock, payable May 1, stock of record April 5.

## STATEMENT OF THE OWNER- SHIP, MANAGEMENT, ETC.,

Required by the Act of Congress of August 24, 1912.

Of the Township Register, published weekly at Niles, California, for April 1, 1929.

State of California, ss.

County of Alameda, ss.

Before me, a notary in and for the State and county aforesaid, personally appeared Norman H. Parks, who, having been duly sworn according to law, deposes and says that he is the owner and publisher of the Township Register, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 411, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business manager are:

Publisher, Norman H. Parks, Niles, Calif.

2. That the owner is:

Norman H. Parks, Niles, Calif.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are:

Clark L. Wilson, Redwood City, Calif.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the names of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

NORMAN H. PARKS.

Sworn to and subscribed before me this 8th day of April, 1929.

(My commission expires April 12, 1931).

## Folklore Legends That Have Many Believers

Curious old customs, legends and superstitions still existing in the British Isles were recalled at a congress of the British Folklore Society. For example, one speaker told the congress that there still is a belief in the Isle of Man that the cats of the island have a king of their own. During the day the "king" lives the life of an ordinary house cat. At night he assumes his royal attributes and travels about in regal state. It is dangerous for a householder with whom he lives to treat the "king cat" unkindly. Cats are further believed to be on intimate terms with fairies and other invisible inhabitants of the world of mystery. The cat is the only member of the household allowed to remain in the kitchen when the fairies enter to warm themselves after the human residents have gone to bed. Again, large black dogs with flaming eyes are supposed to roam the island at night. The best way to pursue a witch is to chase her with a greyhound having not a single black hair. An old Manx law is to the effect that any Manxman might kill a Scotsman provided that the Manxman must go to Scotland and bring back two goats to keep the victim's ghost away.—Pierre Van Paassen, in the Atlanta Constitution.

## IMMIGRATION IS OPPOSED BY COMMERCE MEN

Investigations of Health  
Conditions Asked Of  
State Board

The Niles Chamber of Commerce has gone on record as opposing unrestricted Mexican immigration in response to requests from local congressman and assemblymen, action to this effect having been taken at Tuesday's luncheon meeting.

The secretary, J. E. Townsend, was requested to write the state and county boards of health regarding the reported unsanitary conditions existing in camps of twenty families who came to reside in Old Town anticipating the fruit season.

## MORE ON NILES TO HAVE

pictures" posed by the children as copies of some of the prints on exhibit.

Following immediately upon public Schools Week, this event should be doubly valuable and Principal E. D. Bristow who arranged for the exhibit, as well as members of the Parent-Teachers Association, hope that the public will demonstrate its appreciation of this good fortune. If sufficient number of visitors show their interest, the occasion will probably be repeated, residents of Niles being able to view copies of famous pictures, many art lovers make trans-continental and trans-ocean trips to see.

It is hoped that sufficient funds will be made to buy a picture for each class, this to be class property until the day of graduation when it will be presented to the school in an annual ceremony.

## AMATEUR PICTURE MAKERS ELIGIBLE FOR BIG PRIZES

Any amateur who can use an Eastman Kodak is eligible for the grand prize of \$2,500 for one picture, or for any of the various lesser prizes and you have just as good a chance to be counted among the lucky as any other amateur picture maker. You have only amateurs to compete with, for any person or that person's family in any way connected with commercial or professional photography is barred from the contest.

Many of the prize pictures will be made with the inexpensive Brownie, the Hawk-Eye or the small folding kodaks. The awards will not be made for technical skill alone; a lucky "shot," an interesting subject, or an unusual pose may win a prize.

The first grand prize is \$2,500; \$1,400 for the best child pictures; \$500 for the best outdoor scenic picture; sport, animal, nature study, buildings and architecture, interiors, still life, enlargements, etc. Full details can be obtained by writing the Prize Contest Office, Eastman Kodak Co., Rochester, N.

# MUTUAL

## OPEN HOUSE WEEK

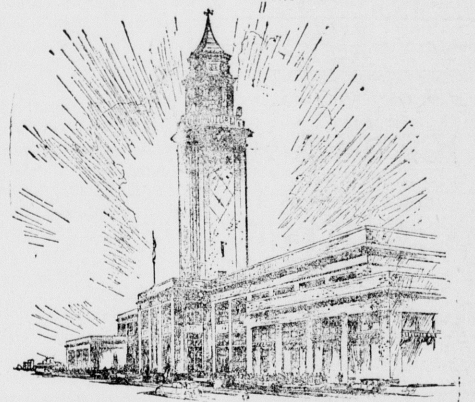

Celebrating our 12th Anniversary and 300th Store

## To the People of Niles:

You are cordially invited to be our guest at the Mutual Building, 5725 East 14th street, Oakland, during Open House Week, Sunday, April 14th, from 10 a. m. to 8 p. m., and every evening next week from 7 to 9.

It is well worth the trip to Oakland to see our immense building required to supply the 300 Mutual Stores with fine, fresh food products. IT IS THE ONLY BUILDING OF ITS KIND ON THE PACIFIC COAST.

There will be many other celebration features next week. Watch the windows of your Mutual Store for further details.
